**Replace desiccant cap tightly after every use to avoid tablet degradation.**

Not to be used by pregnant, nursing & lactating women or by infants, children, adolescent and elderly except when medically advised.

Due to nature of the ingredients, the tablets may show colour spots. This does not change the product efficacy & taste.

**Recommended Usage :** Take 1 tablet daily in the morning or as directed by the Healthcare Professional.

**"Not to exceed the stated recommended daily usage"**  
**"NOT FOR MEDICINAL USE"**

"L-Glutathione is essential for various cellular functions & also improves skin tone in both exposed & covered body parts. Vitamin C helps to improve absorption of Glutathione & contributes to normal immune function & collagen synthesis in skin. N-Acetylcysteine acts as an anti-oxidant & helps to reduce free radicals."

**Store in a dry, well ventilated place at a temperature not exceeding 25°C.**

**Protect from direct sunlight.**

**Keep out of reach of children.**

**This product should not be used as meal or diet substitute.**
